

Wildlife Achievement Chapter Meritorious Service Award

The Wildlife Achievement Chapter's (WAC) third highest award for an individual is granted for meritorious and outstanding achievements or services of an unusual value that substantially contribute to the accomplishment of WAC's missions or assigned major work programs. Such achievements must have Chapter-wide significance.

Eligibility

All non-probationary members are eligible.

Criteria

- * Outstanding results in projects that substantially contribute to the accomplishment of WAC's programs.
- * Unusual initiative or teamwork in developing and leading new and improved work projects.
- * Performing tasks in such an exemplary manner that will inspire and motivate other members.
